

FIELD TRIP PERMISSION FORM

In order to help parents, children and the schools, we are asking for your written consent to take your child on field trips. This form will authorize the Vermillion Middle School staff to allow your child to participate in field trips during the middle school years. This in turn will eliminate the need for written permission for each field trip that your child may take during their middle school years. Students will be told to tell their parents of upcoming in town field trips. Parents will receive a note concerning out of town field trips.

I give permission for my child to go on field trips throughout his/her middle school years. I understand that permission may be retracted at anytime or for any specific field trip.
